Date: The 2nd and 4th wednesday of every month

Time: 6:30pm to 9:30pm

Place: The Pence Gallery, 212 D Street Davis, CA 95616

This group is for both experienced artists and amateurs to have an opportunity to draw or paint from the nude model. If you have never drawn from a live model before and would like to join us, you are very welcome! This is not a class, and no instruction is provided. People of all skill levels are welcome and encouraged to join the group.

We need at least 8 prepaid RSVPs per session in order to pay for the space and model. The preferred method of payment is Paypal. You are welcome to pay at the door, but prepaid RSVPs are preferred. Prepaid RSVPs are accepted at our online Meetup group at www.meetup.com/davisfigure. Joining is free and it is easy to sign-up. Members are sent reminders of upcoming meetings and events related to the group. The Meetup group is an easy way to keep track of when we are meeting and if the session has been cancelled or moved to a different date. Members can also provide feedback on the site. How we run the sessions is determined by members and member's suggestions and preferences are always taken into account.
