

CLASSES WITH *Artist* Joanne Andresen

▶ BEGINNING DRAWING & WATERCOLOR

One class two areas of study

Thursday, 12-2 PM

Sept. 13, 20, 27, Oct. 4 & 11, 2018 (5 sessions)

\$120 members | \$130 nonmembers

(add \$15 if student has no supplies)

One of the stumbling blocks faced by students who want to paint is not being able to draw. Basic drawing skills will be practiced in this class, before painting with watercolors. The subject matter will include everyday objects, which can be a challenge to draw in an accurate way.

▶ CONTINUING WATERCOLOR

Wednesday, 9-11:30 AM

Sept. 12, 19, 26, Oct. 3 & 10, 2018 (5 sessions)

\$120 members

\$130 nonmembers

This class is intended for artists who have had some experience with watercolor. Our emphasis will be on painting nature. Studying skies, trees, rocks and water, and how each appears in sun and shade and different weather conditions, will be part of our lessons. We will use photos and live subject matter as the inspiration for paintings. A friendly class environment makes class critiques helpful and stress free.
